VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Top Five Blondes

Dear Virgin Territory,

I recently sent in a letter about my top five favorite flatties. Now I thought I would send you a letter of my top five favorite 18eighteen blondes ever.

5. Alexis Adams. She's a super cutie with a nice, curvy body. Love her tits. You get kudos for being the first company to shoot her. She disappeared from porn for a while but recently resurfaced. Guess she came to her senses!

4. Holly Van Hough. Love that thick, golden mane, pretty face and tight waist. She seems like a real playful kitten.

3. Molly Bennett. I love her because she is such a fuckin' slut. One of the best performers there is. She really goes crazy for cock.

2. Abby. D-d-d-damn! She is fine. Like super, crazy, out-of-this-world fine. Wouldn't expect anything less from Russia. Her skin is dewy and flawless, and she has an elegant gracefulness to her that I can't fully

describe in words.

1. Emily Harper. Another newcomer you shot for the first time. A true girl-next-door. She is beautiful and has an amazing body with a delicious rack. Haven't seen her around. She's probably gone for good, but it was great while it lasted!—B.B., via email

Dear B.B.,

Your list is awesome. We hope it inspires other readers to send in their top lists of models.

Megan's Mams

Dear Virgin Territory,

Megan can sit on my dick any time she wants. If I could suck on those titties while grabbing her little ass as she bounces up and down on my cock, I'd be a happy man. She has the face and pussy of an angel, and I'd love to cover both in my cum. I wouldn't mind spraying those tits either. Does this hottie do hardcore? I'd love to see her with a stiff one between her big boobs—and in her pussy too, of course. And I'd also like to see what kind of lay she is. Is she loud? Quiet? Energetic? Lazy? Does she give amazing head? Just 'cause a girl is hot doesn't mean she's a good at sex. We never really know about these girls in your magazine until we see them in video.

But for now I'll just believe that Megan is the best fuck in the world. She looks like she could be. And after all, it is my fantasy!—F.R., Burlington, Vermont

Dear F.R.,

Megan doesn't do XXX with guys, but judging by her all-girl three-way with Zoey and MILF Raven, she knows what she's doing in the sack. Check out the video of it on 18eighteen.com.

Naughty Student Skye

Dear Virgin Territory,

Skye from Nov. '14 is a teen cutie. She likes studying for history, and I like studying her personal geography. Her beautiful face and sweet teen body are cool to look at. I like what she has down her shirt and up her skirt. If I was her teacher and she was my only student it would be cool. Having this beauty to myself would be awesome. She would be dressed in cute tops and short skirts. She would sit in front so I could see up her skirt. She would also be free to take her clothes off as well. Nice, dirty, little

She may have bigger tits than most of our teen girls, but would you say no to Megan sitting on you?

fantasy I have, huh? It's nice to see Skye again. All of her.—J.K., Green Bay, Wisconsin

Dear J.K.,

Here's a bonus photo of Skye to further fuel your fantasy.

Special Issues

Dear Virgin Territory,

I do love the wonderful special features that you do like the "outies issue" some months back and recently one on different shapes and sizes of fannies! It is obviously such a niche area that I wanted to make a couple

of what I hope would be fascinating suggestions for you.

What about a clitoris issue? There is a bewildering variety of different shaped and sized clitties out there, and being the vestigial equivalent to the glans of the penis it is not surprising. From tiny, little buttons barely visible even with the labia pulled open to huge, erect, bulbous glans protruding from the top of the vulva that seem to throb when the sweet girl is excited. Getting a selection of close-ups of different clitorises would

be a magnificent work of art and a fantastic subject of interest to the readers.

J.L. wants issues dedicated to asses-holes and clits.

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

Another fascinating topic would be booty holes—again such an amazing range in anatomy from pinpoint tight, little holes to very lax sphincters with everything in between. I love the star-shaped ones that seem to wink at you. But most of all I love the protruding, pouting ones that seem to be begging to be filled and stretched open.

I would love some comparative academic studies on cute, sweet little 18-year-old's clitorises and booty holes!—J.L., via email

Dear J.L.,

Throughout the years we have featured butthole and pussy close-up specials in 18eighteen. The Sept. '11 and Sept. '14 issues both have full pictorials dedicated to pussy close-ups, and butthole specials were featured in the July '10 and June '12 issues. Furthermore, the June '14 issue of Naughty Neighbors ran a special titled *The Perfect Pussy*. The Sept. '14 issue also has the *Perfect Butthole Special*. All of these issues are available for order on eboobstore.com.

If Alex had pubes, we can assure you that they would be red.

Red Is His Favorite Hair Color

Dear Virgin Territory,

I love it when you have redhead girls on your cover like Alex of Nov. '14. Some other memorable red-headed covergirls were Amber of

Feb. '10, Chloe of July '13 (although she isn't a natural redhead) and more recently, Nikki of July '14. I only wish that Alex had let her fiery bush grow out. She looked excellent in that schoolgirl outfit and is exactly the kind of teen I have always fantasized about. I will be sending in a separate letter for her panties, but I wanted to send in this letter dedicated solely to her beauty.

This slender, blue-eyed vixen has completely captured my heart with her exotic beauty. She has the perfect breast shape and size with her small, perky teardrops. I studied every inch of her body and look forward to seeing more photos of her so I can further examine them. Natural redheads are the best, and Alex's flowing ginger locks complement her freckled complexion perfectly. Her faint

PANTY WINNERS SAY THANKS!

Shared Panties

Dear Virgin Territory,

Thanks for sending me Ariana's panties. I can't believe my luck. I saw the package as I pulled into the driveway and was thrilled when I saw who it was from. It arrived Wednesday, but I did not open it until Sunday. I enjoyed thinking about what was inside over those days. I opened the package at an appropriate moment and was again thrilled. I can't believe how small they are, and the stain on the crotch is really sexy. Looking at my old magazines, I noticed Daisy in *Naughty Neighbors* April '12 and Mae in *Naughty Neighbors* March '14 had on similar panties. Please let me know if they are the same pair. I am a big fan of Mae's and her NN pictorial. It would really add to my enjoyment to know it is the same pair. If you have surplus panties don't throw them out, send them to me! Thanks again!—F.H., Kitchener, Ontario, Canada

Dear F.H.,

We have quite a large inventory of panties and clothes that we dress our models in, including multiple undies of the same style. Sometimes we dress our girls in similar items because they look so sexy. To be sanitary we avoid sharing panties.

Panty Pleasure

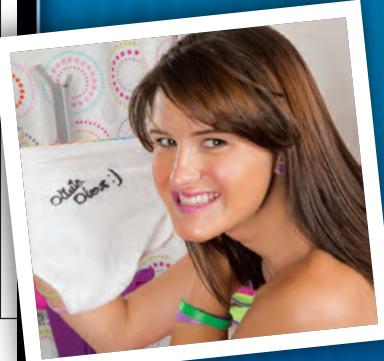

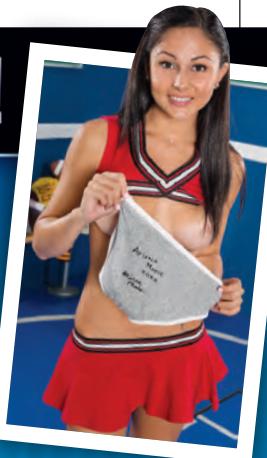

Dear Virgin Territory,

Olivia's panties arrived yesterday, and it was an awesome surprise. So much time had passed I figured I lost. The panties are girly and smell wonderful. I found her magazine pictures and fully examined them for authenticity before I set the panties next to her pictures and spent the rest of the evening playing guitar. I guess I was serenading the undies. Later her pictures peaked my interest, and the soft cotton felt so nice touching my big, sensitive testicles while I dreamt of her beautiful, velvet lips.

Thank you. It feels great to be selected to receive her undies. I've got a few favorite models (Caprice, Franziska, Vee), and she's definitely one of them. Thanks again for the panties as they are a sweet dream. Please know I think SCORE has great products, and I look forward to buying some newbies once I have a good job again.—J.H., via email

Dear J.H.,

Glad we could help. Be assured that our panties are always authentic!

tanlines are also quite sexy. I love the photo on page 22 of her looking over her shoulder with her little bum sticking out, waiting to be grabbed and spanked. Her spread pussy is a beautiful, pink flower that should be worshipped with a tongue. If you feature her in a hardcore layout I'm sure it will inspire many loads of

cum from me. I look forward to it.—R.S., Richmond, Virginia

Dear R.S.,

Alex is quite the stunning redhead. All natural, too! You will see a hardcore pictorial of her soon. If you just can't wait, log on to 18eighteen.com to watch her hot hardcore video.

HELP THIS GUY GET LAID!

Pee Talk

Dear Virgin Territory,

I received the Dec. '14 issue yesterday. Thanks for printing my letter. I didn't realize that finding girls for a peeing DVD would be that hard! I thought if they did XXX videos then peeing wouldn't be a problem. So, I am hoping you can find enough peeing girls for the DVD! Again, no masturbating, no fucking and no guys...just peeing girls!

This might sound like a dumb question, but when a girl squirts is it girl goo or pee? Maybe you will have to do a squirting DVD too. I will probably never get to see a real live girl squirt.

For the censors: Everyone has to pee, but not everyone gets to fuck, so why won't you allow peeing photos to be printed in the magazine?

Lastly, I am now going to have to order *Jizzed Teens 2* because it includes Jennifer. I will also order *Flat & Fucked 7* because it includes Lolly. I wish I knew how/where to meet girls. I am not able to tell if someone likes me, so if a girl likes me she is going to have to say so!—J.H., Aberdeen, South Dakota

Dear J.H.,

Yes, it is difficult to find girls who will pee on video or even in photos. It may seem unusual that they would be nervous about this when they fuck on-camera, but think of it like this: When a girl fucks on-camera, her body doesn't really have to do anything. Sure, she could get wet, but even if she doesn't she can use lube. Peeing requires her to do something. It's one of those things that gets harder to do the more you think about it, similar to a guy having to get a hard-on for the camera. Sometimes people get performance anxiety.

The debate is still ongoing as to whether a girl pees or releases some kind of vaginal fluid when she squirts. No one can seem to agree on it at this point.

As for your issues with meeting girls, we'd like to open up the forum to our other readers for suggestions. Guys, if you're reading this, let us know what you think. Let's help fellow reader J.H. get laid!

HEIGHT: 5'6" WEIGHT: 130 lbs.
BRA SIZE: 34B BORN: Nov. 30
LIVES: Fort Lauderdale, Florida

Ella's got a bit of an attitude.

She's in detention for chewing gum, but that doesn't stop her from blowing big bubbles right in front of the supervisor. This teen has to satisfy her oral fixation somehow! She refuses to spit up her gum, but stops chewing it long enough to gobble down this guy's cock. But once she's bent over his desk or lying on top of it getting fucked, she's back to blowing bubbles. She wants cum and gum all over her mouth and face!

Tell us more about this oral fixation.

"I can chew gum and give head at the same time, so I guess you could say I'm pretty talented. I figured I would use my skills on the detention hall supervisor because I was fuckin' bored anyway. I saw him looking at my ass, and it made me horny. I mean, I can't blame him. I do have a pretty nice ass. It makes up for the fact that I barely have any tits. So I decided to fuck him. I always wanted to do it in school anyway, and what better place to do it than in detention? It's the perfect place for a naughty girl like me. After sucking him off and riding him really good, he didn't seem to care too much about the gum. I kept on chewing it the whole time to kinda tease him anyway."

We love the tanlines! It looks like you've been spending a lot of time at the beach.

"Thanks! Although I think I might have overdone it because I got sunburned. I've been vacationing down in Miami where it's hot and sunny all year, and I should have worn more sunblock. I still had a blast though, meeting new people and hooking up with cute guys. There's something about that tropical environment that seems to get people really horny. Or maybe it was just me!"

HEIGHT: 5'6" **WEIGHT:** 120 lbs.
BRA SIZE: 34A **BORN:** April 11
LIVES: Atlanta, Georgia

Did you have a lot of sex on your vacation?

"Yes! I hooked up with this guy a few times. That was the first time I've ever like, just met someone while I was out and fucked them the same day. It was cute—my little vacation fling. We fucked on the balcony of my hotel which was pretty hot. Towards the end of the vacation when I was really sunburned I didn't think I was gonna be able to fuck. So he was just rubbing aloe lotion all over my body, and I got sooo turned on! We ended up having sex—very carefully—anyway! I was too horny."

How did you manage to have sex with such a bad sunburn?

"We did it mostly standing up! As he was rubbing lotion on my back I started sticking my butt in his crotch, and he reached over and started fingering me. Thank god I wasn't sunburned on my pussy! I was all juicy and his fingers were squishing inside of me. So I took off my bottoms, and he stuck his dick in from behind. We stayed standing because it hurt for me to lay on the bed, especially with him on top of me. So we did doggie-style, and then I faced him and he held one of my legs up. It was hot!"

I was trying to hide the tremble in my voice, so I smiled big and laughed my most womanly laugh (no giggling!) at every dry thing he said. I had a hard time concentrating and kept wondering if my pencil skirt—which had been knee-length before that last growth spurt—had ridden up too high when I sat to face him. “Don’t fidget with your clothes, it signals a lack of confidence,” was what my best friend Angie had said when she helped me get ready, so I tried to leave it alone. But I had to wonder, did temp job interviews always feel so much like a first date?

Only after I’d gotten home, locked the door to my bedroom and furiously masturbated did it even occur to me to hope I’d get the job. I laid face-down on the bed, gently grinding my pussy against my right hand between my legs, imagining getting fucked over his tasteful mahogany desk, imagining that sexy half-smile turning smug and satisfied as he pushed his cock past my dripping lips. I smushed my face into the comforter imagining Mr. Klinger’s hand firmly holding my head down on a stack of papers, keeping my whole body steady for him. He’d mentioned that he’d once been a quarterback at the high school I graduated from last spring, and I felt like I could see it in his build: his shoulders looked firm and sinewy under his tailored button-down, and he had the relaxed, thick look of a man who hit the gym for fun, but wasn’t afraid of carbs. And even though I actually had lost my virginity to our quarterback, Jason, who had been pretty hot—I’d been secretly disappointed at how rushed and boring sex with him had been. I broke it off when summer arrived. Mr. Klinger, though...his movements looked

deliberate, and there was something

decidedly not boring in the way he took in my interview outfit.

I kept the email that came the next day starred in my inbox for months:

“Krista,

It was great to meet with you yesterday. I think we could really use your energy around the office. Start Monday? Don’t say no.—Eric Klinger”

My skin was buzzing with electricity as I walked into the office the following Monday. I’d paired one of my better plaid mini-skirts with a fitted blazer and some modest 3.5-inch heels. I had interviewed during lunch hour, and was surprised to see how fast-paced and full of people the office felt at eight a.m. Most of the women wore power suits with flats and were much older, late twenties at least. I felt my eyes starting to drift to the floor as I walked, catching one too many appraising glances from other women. Maybe my outfit wasn’t right after all. Maybe it had been silly to apply with no office experience right out of high school. I picked up the pace as Mr. Klinger’s office came into view. “Don’t say no”

echoed over and over in my head, and I managed my first smile.

I knocked lightly on the open door. “Good morning, Mr. Klinger!”

To my disappointment, he wasn’t alone. An assistant sat with a steno pad in hand across from him. “You must be Krista,” she said. “I’m

Elizabeth, I’ll be training you from here.” Mr. Klinger

flashed me a smile—I could’ve sworn there was a touch of wistfulness around the

eyes—but my heart was already sinking. This job would be a little less fun than I had hoped.

I spent my first few weeks scheming as I alphabetized, fantasizing as I filed and imagining quickie

opportunities on my many coffee runs. I quickly realized I wasn’t going to fit into the snooty office culture, so I stopped caring about the dirty looks from coworkers and wore my skirts as short and as tight as I thought I could get away with, my only goal being to catch Mr. Klinger’s attention again and put it to some good use. I wore my winter knee-high stiletto boots with my mini-skirt and started going braless underneath my silk tops—this was especially naughty in the winter, when my nipples were constantly engorged and at attention. If Mr. Klinger was around, I found every opportunity to bend over, hiking up my skirt. Sometimes I’d even pinch my nipples before walking into his office just to make sure there’d be no way he could ignore the assets. Through it all, though, I never got more than a once-over and a wry smile. It was promising, but I wanted much more than that.

I began concocting plans.

“Mr. Klinger, what gym do you go to? I can tell you work out...I’ve been trying to get some definition into my arms, just get toned, you know? But I could use some guidance, a little help....”

He referred me to a local gym chain that was way above my pay grade and gave me the name of a trainer. I wanted to ask to feel his bicep, but lost nerve when Elizabeth walked in to ask him a question.

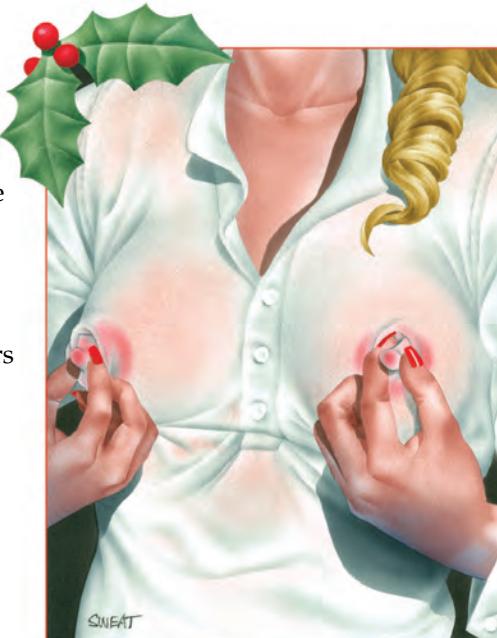

"Don't you stay late most days, Mr. Klinger? I tend to stay in the coffee bar in the lounge downstairs for a few hours after I get off, studying for an entrance exam. You should stop by on your way out sometime."

But he never did.

"Mr. Klinger, wanna see some pics I have of the new Bulldogs stadium? I snapped them last weekend, they're here on my phone." I pulled up an album I'd put together in advance—all sports photos, with one pic slipped in of me posing in my string bikini, sliding one triangle of the top almost off exposing a sliver of hard nipple. I scrolled slowly for him and really lingered on the bikini photo, pretending to be scandalized. "Oh!" I yelped, looking him right in the eyes. He was still looking at the pic on my phone. "How embarrassing..." I smiled. When he finally looked at me he seemed a little dazed, my most promising reaction so far. But again, Elizabeth called him away before he could say a word.

By the time we started planning the office Christmas party, I was beginning to lose hope. Maybe I was just dreaming. Maybe Mr. Klinger just had a lot more sense than I did about office romance. As Elizabeth held the hat with all the staff names mixed in it for our Secret Santa gift exchange, I realized I barely knew anyone at the office, and dreaded having to figure out a gift for someone who either didn't know me or actively hated me for my age and provocative outfits. I unfolded the piece of paper I'd withdrawn with no real anticipation. But written there in ballpoint ink was my last best chance: Eric Klinger. I flushed all over. It was a Christmas miracle.

As much as I wanted to jump out of a cake or just tie myself up naked

I wanted to see his reaction to my gift from a good vantage point, but also have a quick escape in case it became clear he wasn't going to reciprocate.

in a big bow on his desk, I knew bold moves like that were pretty likely to get me carted away and fired, and as apathetic as I felt about the job itself, that was not a way I was ready to go. Most importantly, they might be turn-offs: a man as savvy as Mr. Klinger would want every assurance of things remaining behind closed doors, no risk of any scandal. So I thought of a way to give him a harmless, boring, office-appropriate gift to open in public at the party, along with a slightly hidden private gift, the real one: me.

I chose to wrap a gift card to the coffee bar downstairs in a slightly oversized box, and behind the card inside I placed a smaller box, writing "EXTRA Secret Santa (open in private)" on the top. Inside the smaller box: a pair of crotchless panties I'd bought from a sex shop online, and a note on memo paper: "I'll be staying after everyone leaves. Wanna help me get these on?"

When the day finally came, Elizabeth called for the staff of our whole floor to pack into the

mini-cafeteria, where we mostly stood shoulder-to-shoulder, too few seats for most of us to get comfortable. I positioned myself near the door, across the room from Mr. Klinger, for once a little shy to be too close. I wanted to see his reaction to my gift from a good vantage point, but also have a quick escape in case it became clear he wasn't going to reciprocate. I had chosen a sparkly black mini-skirt to wear to work for the office party, along with a clingy white silk blouse with a see-through black lace overlay top loosely over it. I couldn't tell if Mr. Klinger had spotted me, but I hoped he'd like what he saw.

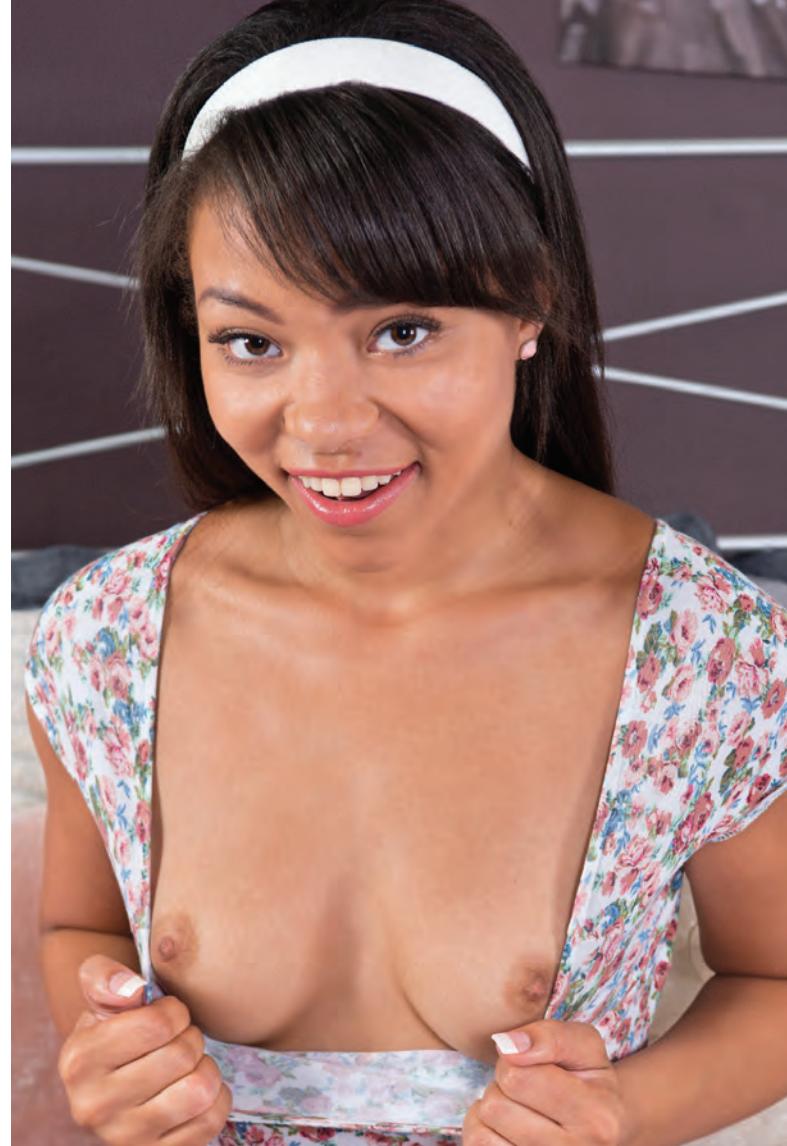

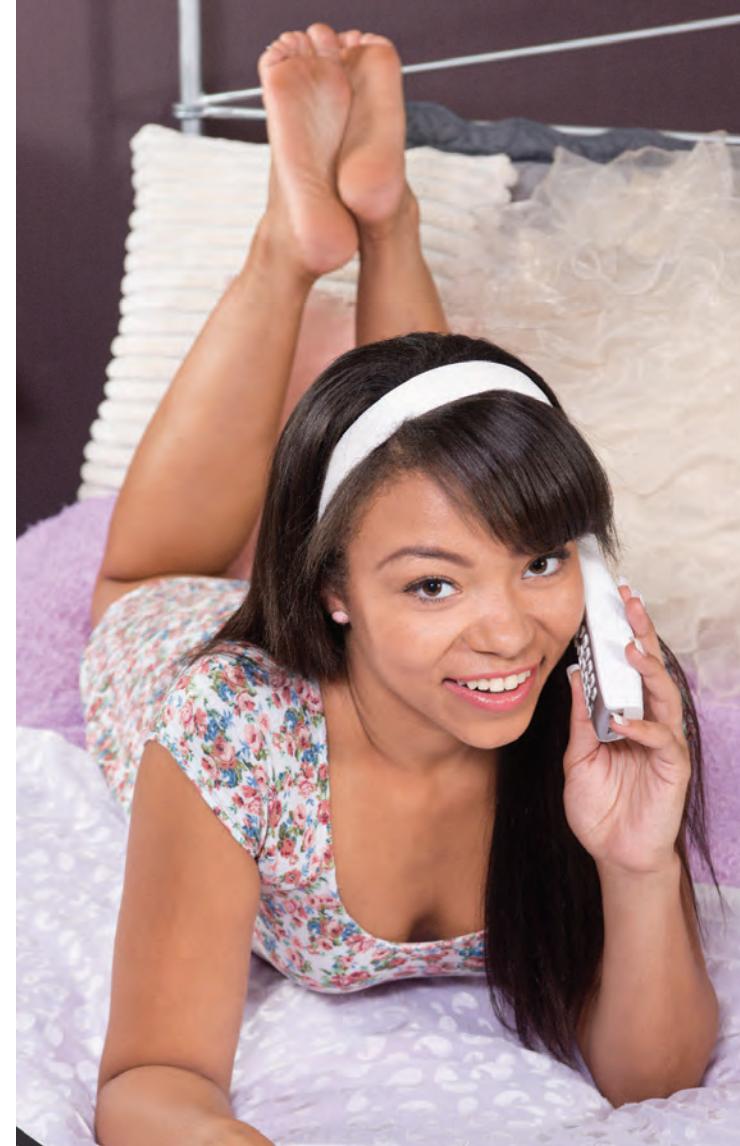

We'd all put our gifts in a pile to be distributed by Elizabeth, a tag on the outside of each one for the recipient's name, and one on the inside to reveal the identity of the Secret Santa. This was perfect—no one but Mr.

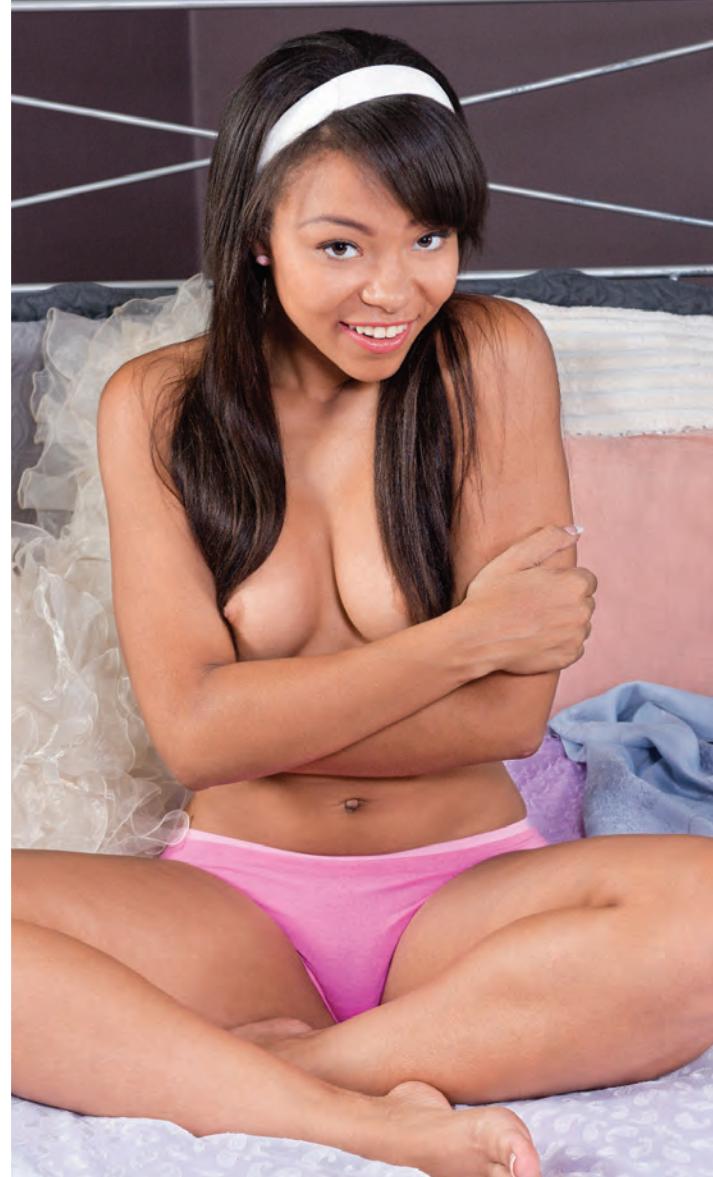

Klinger would even have to know I'd been the one to send his gift. It could start and end as our little secret.

I took my box from Elizabeth when she circled my way. I was barely interested, but tugged at the little flat box anyway, keeping my eyes on Mr. Klinger, who was still waiting for his gift to come around. Inside I found a satiny black and white scarf, and a little note: "From Nate Yeager," it read. "It reminded me of you. Happy holidays, Krista." I pursed my lips and looked up. Nate was watching from an adjacent wall, a sheepish smile aimed at me. He was a low-level office lackey like me, but a couple years older, sandy hair, decent but forgettable body. A year ago, before my craving for an older man took over, I might've gone for him. Not today. I lifted the corners of my lips up in a tight smile, hoping not to give him too much encouragement. At least the scarf he gave me matched my outfit.

I cast a glance back to Mr. Klinger—my box was in his hands! I shivered a little watching him smooth his fingers around the corners to break open the tape. No one

You're a total cutie, Adrian. Tell us more about you.

"My name is Adrian, I'm originally from Washington state but just moved to Florida. I recently graduated from high school. For a while now I've wanted to model nude, so once I turned 18 I got on it immediately. I waited till I graduated though, because I didn't want to deal with that high school drama once everyone found out. I'm a very sexual person so I'm excited to be able to show my body off for the camera and cum for the guys out there. I hope they like my photos. This is my first time modeling so I'm a little nervous!" Whatever nerves Adrian had melted away once she took her panties off. This girl loves to be naked. Turn the page to see what we mean.

Are you looking forward to fucking in front of a camera?

“Definitely! I want to show the world what I’ve got, but I also just want to get fucked by a big cock and cum. I’ll be looking forward to watching my scene later and masturbating to it.”

Do you masturbate a lot, or do you have so much sex you don't need it?

"I masturbate all the time. I love sex and I prefer it to masturbating. But making myself cum is usually a lot easier and less complicated than fucking someone. I can just lay in bed and zone out. My favorite thing is a vibrator, but sometimes I use my hands."

around him seemed to be paying much attention, everyone thankfully engrossed in their own exchanges. Mr. Klinger picked up the gift card and raised his eyebrows—I saw a curious look pass over his face as he peered down at the smaller, secret box. He stole a glance at me, having already seen my name on the gift card tag. I smiled back, abuzz, and slowly slid out the door, unable to help myself from watching him as I went. I needed to touch myself in the girls' room before going back to my desk. It would be a long wait before the office finally cleared out.

Two hours after close, when even the last party stragglers had stopped laughing over their novelty gifts and started for home, I was still at my desk, surfing around online and growing restless, wondering if it was time to throw in the towel and go home. I'd been rejected. Of course he wouldn't take a risk like that. I was reckless, naive...

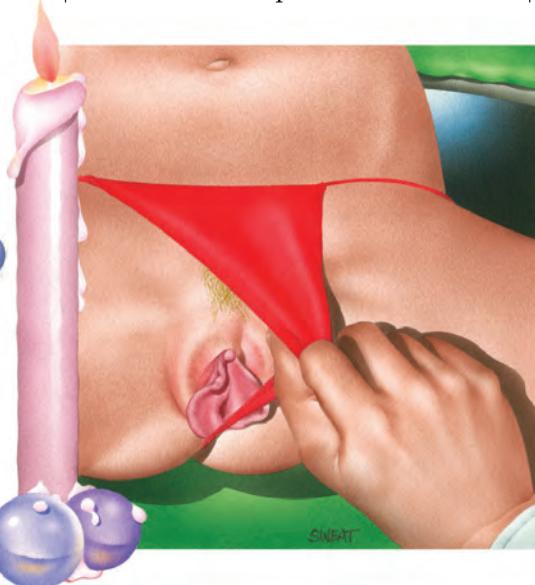

"That's the best memo I've read in years," a voice behind me murmured low. "You should really be my personal secretary if there's more where that came from." I felt his hands on my shoulders and looked up to see Mr. Klinger's strong jaw and broad shoulders hovering over me in my chair.

"You...you liked it then?"

"Loved it." I bit my lip and closed my eyes as I felt him slip his hands between the desk chair and the curve of my ass. He squeezed along my tight mini-skirted cheeks and slipped his fingers just under the hem, lingering there a few seconds, teasing me with his fingertips just grazing my inner thighs, then moving back to my hips and sliding his hands all the

way up to my waist, stopping just under my bust-line to cup my firm titties in the brand new lacy bra I wore just for the occasion. I felt my nips harden, every article of clothing beginning to feel like a delicious constriction. "Mmmm," I moaned, "yes..." He pulled off my top and yanked the bra aside, roughly squeezing and pinching my spongey hard nipples, and I sensed at once he'd been watching them move under my blouses all along.

I felt him pick my right hand off of the arm rest and press a small box

I scooted all the way to the edge of the chair, and he slipped one of his wide hands into the crevice between my legs and over the thin fabric of my thong, playfully pulling it up a bit and stretching the back tight against my asshole.

into it. My gift. "No one's here anymore, I checked. Krista..."

"Yes...?"

"I want you to open the box for me now."

My heart was beating out of my chest. I did as he said. There in the cheap red satin-lined box from Fantasy Land was my first sex purchase, the Rudolph-red pair of crotchless thong panties. Folded in the box, they looked a bit like the world's tiniest trapeze swing. The

pink thong I was already wearing soaked through in just seconds.

"You want to wear this for me?" Mr. Klinger asked.

"Yes..."

"Are you wearing anything under that skirt right now, Krista?"

"Yes, I'm...I'm wearing a thong. A pink thong."

"I need to see that." At that he spun my chair around to finally face him and I gasped, excited and suddenly a little shy. So close, he was even broader than I imagined, probably stronger, too. He got down on a knee, like the football star he once was, and without another word pushed my skirt all the way up to my waist, leaving my thighs and tiny thong completely visible.

"Don't you want to go to your office?" I asked, thinking about how often I'd fantasized of getting on top of that mahogany desk to get fucked.

"Not now. First I want you here, in this cubicle...where I've watched you," he said. "Now move your hips towards me."

I scooted all the way to the edge of the chair, and he slipped one of his wide hands into the crevice between my legs and over

the thin fabric of my thong, playfully pulling it up a bit and stretching the back tight against my asshole. Then he slid his fingers down over my mound to the lips of my pussy, sliding my legs apart with his other hand as he discovered how I'd soaked the fabric through. I moaned as he aggressively explored the contours of my pussy lips

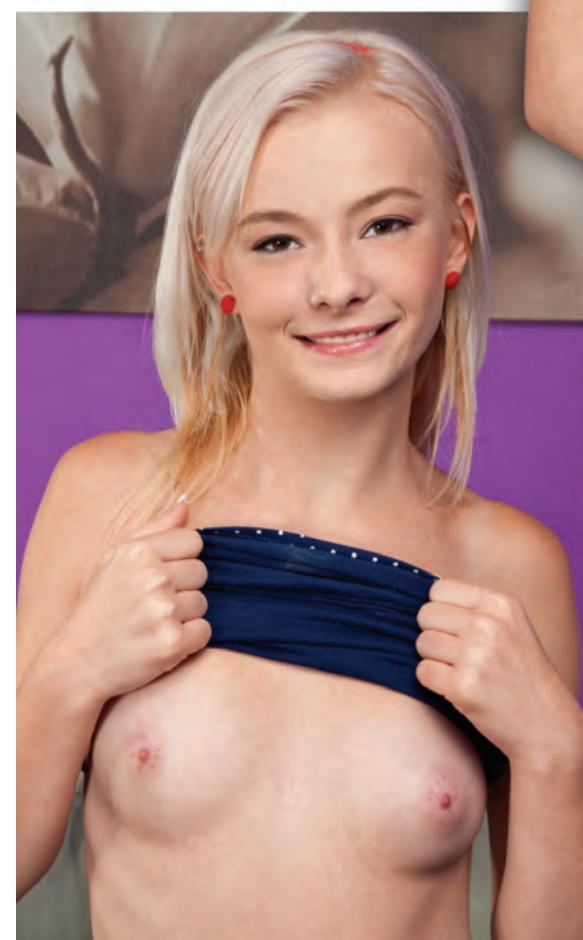

through the barely-there, now-transparent thong, gradually sliding a finger slightly into the opening of my snatch along with the thong barrier. I gripped the armrests tighter, squirming, thrusting to have his finger deeper inside, deeper....

Just then he paused, and withdrew his incredible fingers. I bit my lip again as I felt him moan vibrations towards my pussy, his lips suddenly just to the side of my panties, half on

Maddy
TEEN PIXIE

Hey Maddy, what's a girl like you doing posing nude?

"I have a friend who convinced me that it was a good idea. She's done nude modeling and even fucked on-camera, and it sounded like so much fun. I'm more of the innocent one between the two of us, and she's the bad girl. But sometimes I get tired of being the nice girl and want to do something naughty. So far I'm loving this. I've never done anything like this before so it's really exciting. I was on the fence about fucking on-camera, but now I think I'm gonna do it. I can't wait to get that cock inside of me!"

Would people be surprised to know that you're doing this?

"Yes, definitely. Everyone knows me as this innocent type of girl who's never done anything bad. But a girl my age can only take so much of being good!"

Are you a virgin?

"No. But I've only had sex twice before. And just getting laid those two times was a mission! Both of the guys didn't want to do me because they thought I would get all clingy since I'm inexperienced. No way! I just wanted to finally feel what it's like to get fucked. Sheesh!"

It's time for a little mouth-to-mouth!

Trinity needs to learn CPR, but her instructor doesn't have a dummy. That means it's his mouth she has to blow into and his chest she has to compress. With a horny girl like her, mouth-to-mouth inevitably leads to mouth-to-cock. Trinity works his head with her little mouth, trying to squeeze in as much of his meat as she can. After blowing him her pussy is warmed up and ready to get stretched. "You're such a good teacher," Trinity says as the instructor slides his cock in. We think she's going to pass this test!

Older cock gets her off.

The last time we saw Trinity fuck she was riding the truancy officer in Nov. '14. Now she's fucking the CPR instructor. She obviously has a thing for men with authority. "I've always been more attracted to teachers and men in uniform than my classmates. Older guys just know how to sling the cock better."

This little, flat lifeguard is hotter than any Baywatch babe!

Now Trinity knows how to save a life and how to catch a big load of cum, all with her mouth! And what did Trinity have to say about her lesson? "I passed the CPR exam, but I think I might need more practice giving mouth-to-mouth with Mr. Tony, or anyone else who wants to teach me. You know, just so I can be extra good at it." skin and half on cotton. He teased and touched me through the fabric, making me tremble as he nuzzled and stroked, and finally nudged the little scrap of cotton aside to taste all the sweet musk I had waiting for him there. Mr. Klinger licked and lapped at me as I squirmed, digging my fingers into his shoulder and arching my back. He pushed my thighs wider with the frame of his shoulders and devoured me with the fullness of his mouth. Mr. Klinger made hungry groans, noises from the back of his throat, and as I started to cum against his lips he groaned harder, licking harder than I thought I could take, before suddenly rising to my mouth for a filthy first kiss, our tongues full of my cum. Shocked and spent, I looked up into his dark, needing eyes and felt the firmness of his mouth, the force in his hand on my neck.

"You should put on my present now," he growled into my ear.

I trembled to my feet and slid off the soaked thong. Mr. Klinger took it from my hand and stuffed it into the pocket of his gray slacks as I put on the crotchless panties and pulled off what was left of the rest of my clothes. I couldn't help but giggle a little, and I did a little fashion twirl for him. "You like?" I asked.

My eyes glided down to the bulge in his pants, and I was like a magnet for it—I grabbed his belt and hastily unfastened it, unbuttoning his pants and releasing his big, thick, perfect cock. "Mmmm, god," he moaned. I went down on my knees and traced around the bulbous head of his dick with my tongue. Then I took his cock in my mouth. His skin was soft and hot and swollen. I wet his dick thoroughly with my tongue, pulling it into my mouth and letting it slide back out again, making sure it was wet and slippery. I plunged down his shaft as far as I could take it into my throat, hearing him moan and tense against me.

When I could tell I'd gotten him

CHINESE TREAT

**We love
Asian chicks!
Where are
you from?**

"I'm Chinese, and I'm pretty fluent in Mandarin. Although I'll tell you ahead of time that I'm not really good at saying the bad words. They're mostly slang, and I'm not too familiar with that. But guys love it when I speak Mandarin when we fuck. They like the whole exotic thing. And you know what they say about Asian girls having really tiny pussies? It's true! At least that's what I've been told about mine."

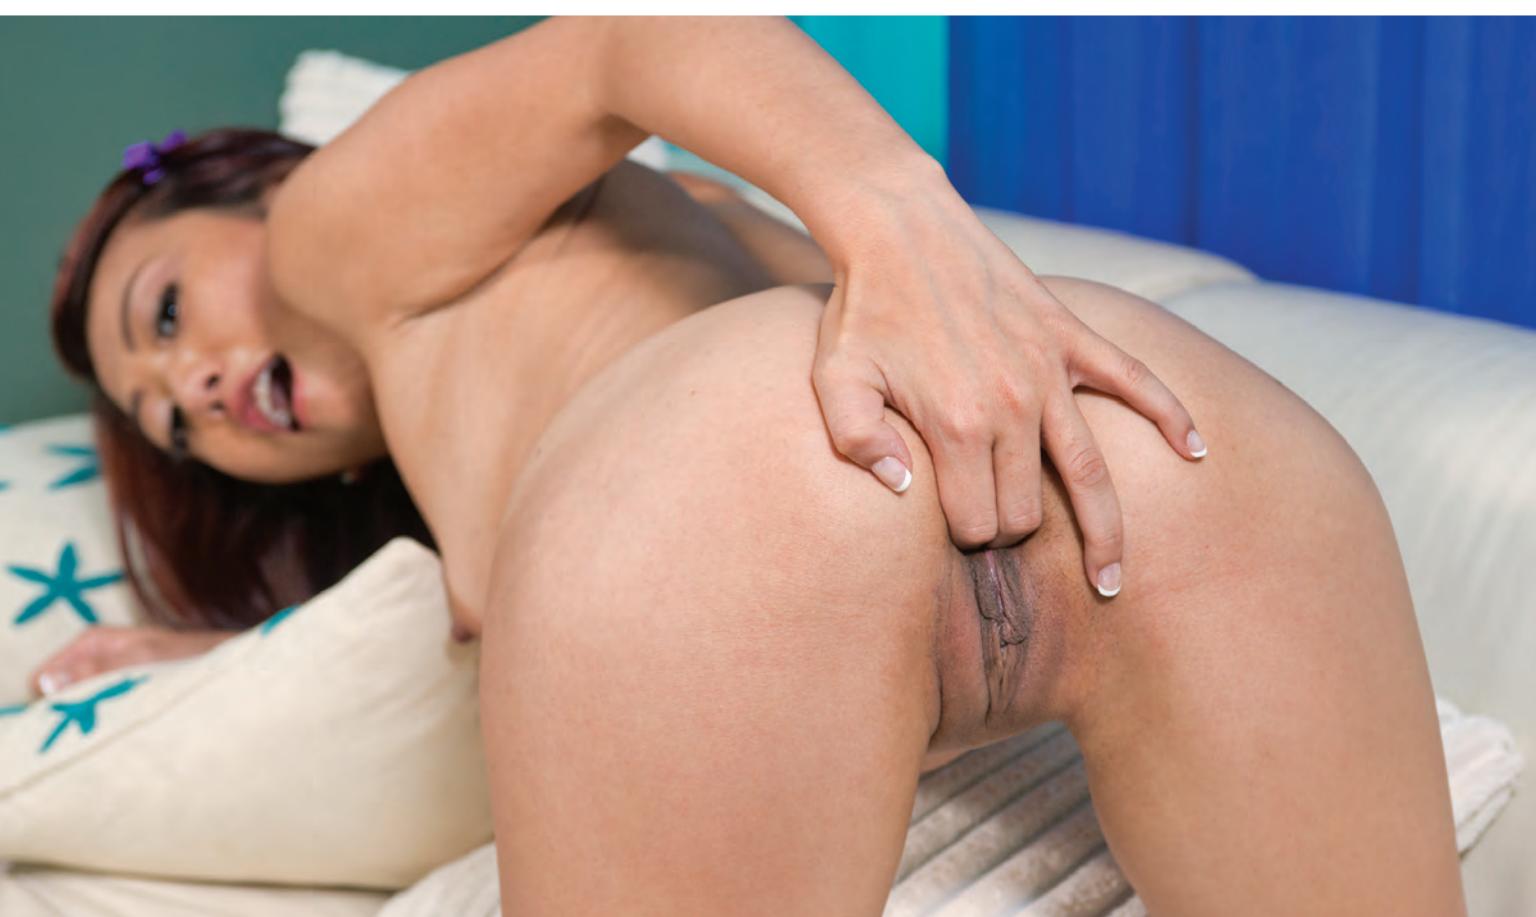

HEIGHT: 5'6" **WEIGHT:** 115 lbs.

Did you have a strict upbringing or were your parents more relaxed?

"My parents were super strict. I wasn't allowed to go out with boys at all, and if I wanted to talk to them on the phone I had to sneak the calls late at night once my parents were asleep. You know parents can only be so strict on their kids until they break loose and go crazy! That's what I did. Once I turned 18 I was like, 'Fuck this shit, I want to get wild!' Going away for college also helped a lot. That's when I started going on lots of dates and having tons of hot sex. I finally got to do all the things I'd always wanted to."

How many times a week do you have sex?

"It depends. I go through wet seasons and dry spells. Right now I'm going through a dry spell, and it's driving me crazy! Thank god for my vibrator. It's the only thing keeping me sane. I hope you guys can hook me up with a big-dicked stud to fuck!"

Hey Jenna, tell us some sexy details.

"Well I'm just a normal girl who likes sex. I masturbate a lot, and the thing that satisfies me the best is a guy with a big dick! My favorite position is lying sideways, and the most orgasms I've ever had in a row are two. I'm trying to find a guy who can help me change that!"

HEIGHT: 5'4" **WEIGHT:** 100 lbs.

Have you ever had sex in public?

"Yes. I've had sex on the beach at night and in the backseat of a car. When I was in the car I got so wet that I totally soaked the backseat. I felt bad for the guy 'cause it was his mom's car and it reeked of sex!"

almost ready to cum, I paused and looked up at his face with big eyes. "Mr. Klinger," I said, "I'd really like to go to your office, now. I want to fuck on your desk."

He instantly pulled me to my feet and wordlessly led me to his office, past all the rows of cubicles. I was so horny, if anyone had been around to see our sex parade I wouldn't have seen them, wouldn't have cared. He led me right to his desk and planted my hands flat on its surface, pushed my head down. "Spread your legs and get that ass in the air," he said. "I want to see your pussy hanging out of that thong." I did as he said. My pussy throbbed, dripping onto the pristine carpet.

"Oh god, Krista," he said, "let me just take a few photos of this. You look absolutely perfect."

"Mmm." I was too hot now to have any sense of modesty. "This IS your Christmas gift, baby."

I heard shuffling behind me as he pulled out his smartphone and began snapping pics of me spread with my ass in the air, pussy exposed and glistening with cum. My little clam was framed between the twin strings that connected the front of the crotchless panties to the single g-string in the back. I must've looked at least a little like a Christmas package.

After a pause that felt like ages to my throbbing pussy, he wrapped a hand around my stomach and tilted my hips so his cock could drag against my wetness, making me moan again. This time he couldn't wait. Both hands grasping my hips, he plunged his dick into my waiting pussy and immediately hit a rhythm, slamming into me so hard I felt my eyes roll back in my head and grasped the desk desperately for leverage, my swollen clit rubbing against the smooth finish with every thrust. "You're. Such. A. Dirty. Girl," he growled into my ear, punctuating each word with every punch from his cock. "I'm SO glad I hired you."

Alessandra
POUTY PRINCESS

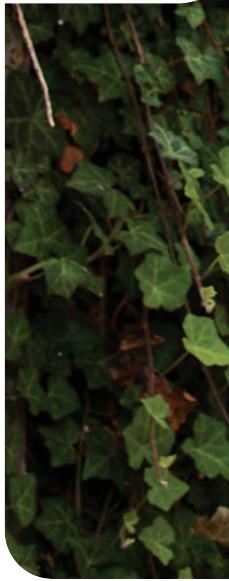

HEIGHT: 5'2" **WEIGHT:** 116 lbs.
BRA SIZE: 34A **BORN:** April 8
LIVES: Moscow, Russia

Alessandra has two pairs of pouty lips.

The lips on her face are seductive and kissable, just like the lips between her legs! Her meaty pussy lips protrude from her body and can be spread like curtains to reveal the tight, pink treat inside. Those lips are perfect for nibbling and sucking on. They're also perfect for draping over the shaft of a cock as it fucks her little pussyhole.

What a juicy surprise in her panties!

"I know my lips are pretty big, but my hole is very small and tight. I like to practice for sex by using a big dildo. If I go too long without sticking something in my pussy it just gets too tight, which can be awkward whenever I do end up having sex. So I always stay on top of my pussy stretching, but that's pretty easy because I love to masturbate and cum! And personally, I love being tight. I can feel every inch of a cock when it's inside me. It feels good for the guy, too!"

Do you like it when guys lick your pussy?

"Of course! My whole pussy is very sensitive so I love it. I like when they lick my clit and tug on my pussy lips with their mouth."

Ariana
SOMETHING TO GRAB

You're from Wisconsin. We rarely get girls from there!

"Yes, I'm a Midwestern girl, but now I live in California. But because of where I grew up I love things like hiking and swimming and anything adventurous. Please, no boring dates at the movies!"

BRAT
CHAT

HEIGHT: 5'2" **WEIGHT:** 113 lbs.
BRA SIZE: 34B **BORN:** Nov. 11
LIVES: Los Angeles, California

So you're an outdoorsy kind of girl. Do you like to fuck outdoors?

"Yes. I love to fuck outdoors or anywhere in public really. I love the feeling of possibly getting caught. It adds to the excitement. Once I even had sex on a playground swing during the daytime. We didn't get caught, but what a thrill! If there's something I don't like, it's boring sex. That's what my first time was like. We both had no experience, it didn't last long and it was missionary position the whole time. Fortunately I have much, much better sex these days!"

Tell us more about your sex life these days.

"Well, I will use my Hitachi vibrator at any time of the day. I love that thing! I also love girls. Sex with them is so sensual and passionate most of the time. It's so hot! But don't get me wrong—I also love cock! Especially older cock. When I have sex I like to start off pleasuring my man then get fucked doggie-style till I cum. My high score for orgasms is at 10 I believe. I have sex almost every day. I'm more assertive in the morning and afternoon, and more passive at night. I guess in the morning I have more energy, and at night I just want someone to ravish me and fuck me to sleep."

EXTRA SECRET SANTA

Continued from page 68

He couldn't see my grin, but I rocked back against him, arching my back. I'd been right about him—this sex definitely wasn't boring. As he neared orgasm, he slammed into me harder and faster, with almost more force than my body could handle. I felt his heavy balls slap against my pussy, sending vibrations to my clit, and he lifted my upper body with his hands while his hips ground my clit into the desk. He pinched and pulled my tits raw just before he erupted in a deep, throbbing thrust. I felt the jet of his cum deep inside me, thick and hot and perfect.

We laid still in a crumpled heap for several minutes over the desk, saying nothing, completely spent. I'd laid my face down on a stack of papers, remembering groggily that this was exactly the image I'd pictured that first night of masturbating after my job interview with Mr. Klinger. I sighed with deep satisfaction.

The crotchless panties that had clinched my success were still snug on my ass, a bit wetter for the wear. As we got up from the desk together, Mr. Klinger looked down at me, this time his eyes sheepish.

"I'd really like to get a few more pics, while you're in that," he said. "I've got a few poses in mind."

"Anything to help morale, Mr. Klinger," I said with a grin.

He perched me back on his desk, facing him this time, and spread my legs wide so that my knees were bent and each foot rested on a corner of the desk. My pussy must have gaped from where his thick cock had just been. "Arch your back," Mr. Klinger commanded, and as I complied he gently pinched and pulled my nipples out in just the way I used to do before going into his office. I purred with pleasure and lust.

"Can we do this again sometime?" I asked, hopefully not too eagerly. "I'll get whatever panties you want."

"If it's extra secret? We can do it lots of times."

Now this was a holiday feeling I wanted to make last all year long. **18**

This is a very special layout for us.

We have a classroom full of teens. This is normal. The redhead girl, Linda, goes up to the board at the teacher's request. Normal. Then she takes out his cock and starts sucking it in front of everyone. Not normal. Usually our hardcore layouts feature one girl and one guy getting it on. But this time around we have a freaky ginger student breaking out into full-on fucking in front of a bunch of people. The voyeuristic students watch their teacher's cock plumb Linda's depths while Linda clearly enjoys the attention. It looks like the Czech educational system has the right idea! "In the Czech Republic and in Europe people are more relaxed about sex," Linda said. "No one is going to freak out about watching other people fuck. In fact, they probably enjoy it. I think everyone in this classroom did."

But there's something else.

Linda is a squirter! In this scene she squirts several times. Although we can't show it in the magazine, you can log on to 18eighteen.com to see all the juicy fun in the video. "I was squirting up a storm! I think I was really turned on by being watched by so many people."

Have you ever done anything like this?

"No, not in front of this many people. Since my last appearance in your mag I've had more sex, and one of those times was at a party. A guy and I snuck off into a room, and one of his friends sat in the corner and watched us while jerking off."

HEIGHT: 5'8" **WEIGHT:** 115 lbs.
BRA SIZE: 32A **BORN:** Aug. 11
LIVES: Prague, Czech Republic

The students stood back to watch two fountains erupt..

The one from Linda's pussy and the one from her teacher's cock. "This guy was a beast!" Linda said. "I had already squirted three times, and he showed no signs of finishing. After my last squirt I knew I wasn't going to be able to last much longer, so I started talking dirty, telling him how much I wanted his cum. It worked like a charm because he unleashed a huge load on me!"
